Standard Display Cases are constructed in the **U.S.A.** from Red Oak with a medium walnut stain and two sheets of tempered glass for sliding doors. Sizes in **bold** are standard sizes and are usually available through maintained inventory

Specialty Woods: Cherry, Walnut, and Maple woods may be requested at an additional 25% of standard price. **Modifications:** To custom to your collectible, number of shelves and display case depth can be adjusted for an additional 10% of standard price. Length and height custom requests usually require special order glass, price varies.

***Shipping prices vary: shipping address required for an exact shipping charge**
